PRINCIPAL'S REPORT

- **Toilet audit** - completed
- **Year 7 Year advisors for 2021** - Teresa Quennell and Vicky Rezo

- **Anti-Discrimination Policy** - copy of the policy will be available at the next meeting

GENERAL BUSINESS

- **Student Scholarships** - carry over to next month's meeting
- **Year 12 Presentation** - Will this occur? Belling High School are unsure at this point but at the moment the answer is no on the Graduation Assembly. As for the formal this is still unsure based on numbers that the Sawtell RSL can have.
- **Canteen** - the current conditions mean that students are not permitted into the canteen to help serve and the lines at the canteen for Vickie to get through is very time consuming. There is no current plan of how to make this seamless however if students ordered their lunch in the morning it would be easier.
