Bellingen High School - P&C Meeting

Monday 12th September 6.30pm

Staff Common Room

All Welcome!
We celebrated NAIDOC at the school on Thursday 4th August. Elders, Aboriginal community members and Aboriginal students were welcomed with morning tea prepared by the Year 9 Food Technology class before our assembly. The assembly featured an address by an Elder, a Gumbaynggirr Bingo game for everyone facilitated by Uncle Michael Jarrett, a dance performance by our newly formed Aboriginal Girls group and a song by our school choir.

Following the assembly, aligning with the NAIDOC theme of Songlines, we had places around the school where local stories were told. After lunch cooked by the Year 10 Food Technology and served by Year 12 Aboriginal Studies class, all Year 7 and Aboriginal students participated in cultural workshops led by the students from our Year 9 first Nations through the Arts course and local Aboriginal community members.

On Wednesday 27th July Year 7 created Canang (Balinese Offerings).

First of all we started off by watching videos of the traditional ways of making Canang. Then each of us got 2 strips of coloured paper to then begin the process. We folded and cut the paper into the basket shapes to hold the offerings. Following Ms Newhouse’s instructions we folded the paper a few different ways and stapled it into a flower shape creating the base. Students brought in flowers to place into their finished product as their offerings.

We had lots of fun learning about Balinese offerings and how to make them.

Year 7 News

It has been a busy start to Term 3 for Year 7. There have been Technology class changes which means that students who were doing Woodwork and Metalwork last semester are now completing Textiles and Food Technology this semester, and vice versa for Textiles and Food Technology. In our CAPA Faculty the same happens with Year 7 classes that were doing Music in Semester 1 are now experiencing Art. These changes allow all junior classes to experience the great programs run by our experienced staff.

During Term 2 many Year 7 students achieved a lot of Bronze Awards through their Bronze booklets and this is fantastic. Remember to collect your stamps from your teachers for all your work. Many students may not be aware that teachers at the end of term can also nominate students to receive Bronze Awards for individual classes. If you would like to see if you received a Bronze Award, nomination lists are located on the Noticeboard outside the Textiles Room.

Congratulations to the winners of your age group for swimming and athletics - a job well done.

Reminders to Year 7 students and parents/caregivers; please make sure you are keeping up with assessment tasks and if you are having trouble with an assessment task seek help from your teacher, Head Teacher of the subject or you can contact Mrs Hayward Year Advisor.

**Fees, fees, fees:** as with most things in today’s society we have to pay for what we use. Could parents/caregivers please ensure that your student’s fees are paid on time or as soon as is possible. This ensures that individual faculties are able to keep supplies up to date and at hand for all projects. We thank you in advance if all fees have been paid. Your support is appreciated.

Attendance of Year 7 has been going great this term. Remember if you are away either contact the school or bring in a note from home.

Year 7 always remember to respect each other and the rights of individuals.

Have a great productive term.

*Karen Hayward 😊*

Students part of major installation in Sydney

Bellingen High SLIKK (Student Leadership is for Koori Kids) students are going to Jonathan Jones’ Barrangal Dyara (Skin And Bones) Exhibition in the Sydney Botanic Gardens from the 18th to 21st September 2016.

Aboriginal students from Bowraville Central, Nambucca Heads High, Macksville High and Bellingen High have been invited to Wiradjuri/Kamilaroi artist Jonathan Jones’ exhibition which brings back to life the artefacts burnt in the Garden Palace fire in 1882.

Jonathan has been recording the voices of Elders and Aboriginal community members around NSW welcoming back the artefacts in their languages. He recorded our SLIKK students welcoming back spears, shields, boomerangs and coolamons in Gumbaynggirr language at our last camp at Valla beach in June. Coincidentally the students were making spears and clay coolamons at the camp.
The students are learning dances to perform in Sydney where they will participate in workshops at the Botanic Gardens, visit the Indigenous Centre for Excellence, the Museum of Contemporary Art and the footy.

We are looking for funding support to get the students to Sydney and help with accommodation and food. Any assistance will be greatly appreciated.

**Unused Laptops**

Any past student who has a laptop (and charger) at home that is no longer in use we would love to take it off your hands - doesn’t matter what condition it is in! We would be able to rebuild them and use them as class sets for students who do not have their own device. If the laptop is too far gone then we can still use them for spare parts. The laptops can be dropped into the school.

Year 10 should have started the process of looking for work experience which runs from Monday 28th November until Tuesday 13th December. Please note the Student Placement Form has recently been upgraded so forms received in your Subject Selection packs are no longer valid. Students have been issued with new forms during Careers lessons. These are also available from the Front Office or Careers Staffroom. Remember if students will be travelling with the employer during work experience, an extra form must be completed.

Students, who have selected a TVET course for Year 11, should have returned an Expression of Interest form this week. They are now overdue. Please see Mrs Gorman immediately if you don't want to miss out!

A Year 10 student Facebook "secret" group has been set up to ease communication between staff and students regarding school events, careers, Futures, subject selection, work experience etc.

Year 11

Year 11 students are reminded of the importance of this term's exams. Many universities consider Year 11 marks when awarding bonus entry points for university!

Students interested in studying business related courses at university are invited to Southern Cross University's "Suit Up" morning - see flyer in this newsletter. Students will be accompanied by Mrs Gorman and transport will be by minibus. Please see Mrs Gorman for a permission note and register online with SCU.

Year 12

Thank you to all our parents who came along to our parent supper recently. It was a great opportunity to discuss future plans and support each other through the final few months of Year 12!

Year 12 are reminded that Career Planning sheets are now overdue. Please return to Mrs Gorman ASAP. Yearbook entries are also due to Mr Koudela in the Science Staffroom by Friday 19th August.

Students should have received UAC pin numbers in the post recently. UAC is now open online for those wishing to apply for University; however students are encouraged to concentrate on Trial exams before starting the UAC process.

Year 12 may attend SCU "Suit Up" if they have no assessment tasks due on this date.

This is a six-session program for separated parents in conflict over their children. It is designed to improve emotional and developmental outcomes for children in separated families by:

- raising parents’ awareness of the impact on their children of the ongoing conflict in their family
- providing them with knowledge, tips and strategies to be able to focus on their children rather than on their issues or conflicts with the other parent

Parents will learn:

- ways to better regulate their emotions and to self-care
- ways to help their children manage their emotions
- to recognise the effects of ongoing, mismanaged conflict on children
- skills to better manage conflict with the other parent
- to reorient interactions with their child’s other parent to be respectful and cooperative
- to recognise and differentiate between their own and their children’s individual needs
- skills to communicate effectively with the other parent
- to reflect on their behaviour and make changes where needed

**Saver Plus Program**

Saver Plus is a Federal Government funded program and has been available in Coffs Harbour for over 6 years. In that time, over 400 families have received over $200,000 to assist with their schooling and child development costs. Saver Plus has many more places available and can help cover the loss of the ‘Back to School’ bonus.

Would you like $500 to help pay for school uniforms, excursions, sports, music and swimming lessons, tuition, speech therapy, an iPad plus more? Saver Plus is a community program and will match your savings dollar for dollar, up to $500, to help with these costs. Simply save up to $500 over 10 months then receive another $500 towards these costs.

To be eligible you need to:

- have a Health Care Card or Pension Concession Card
- have a child at school now or starting school next year
- have the capacity to save up to $12.50 a week
