News from the Relieving Principal Welcome back

As we start our final term for 2022, we hope everyone had an opportunity to have some down time over the break in readiness for what is always a busy term. We had a great celebration and farewell for Year 12 HSC Class of 2022 on Friday September 23. This year we heard from younger siblings about what they were going to miss about not having their big brother or sister at school which was a great addition to our farewell assembly.

Student Success

We would like to congratulate Sahara Weil on her success at the National Equestrian Vaulting Championships where she won gold in 3 different events. What an amazing achievement, well done Sahara.

Uniform

We are a uniform school which is endorsed by our P&C and this term will be focusing on students being in the correct uniform - our school polo or senior shirt and grey or blue shorts or school skirt which all need to be an appropriate length. Students who do not fit our dress code will be asked to change into uniform and if you have any issues in getting uniform, please contact the office so we can support you to get the correct uniform for your student/s. Also if families have any old uniforms they would like to donate please drop it into the office.

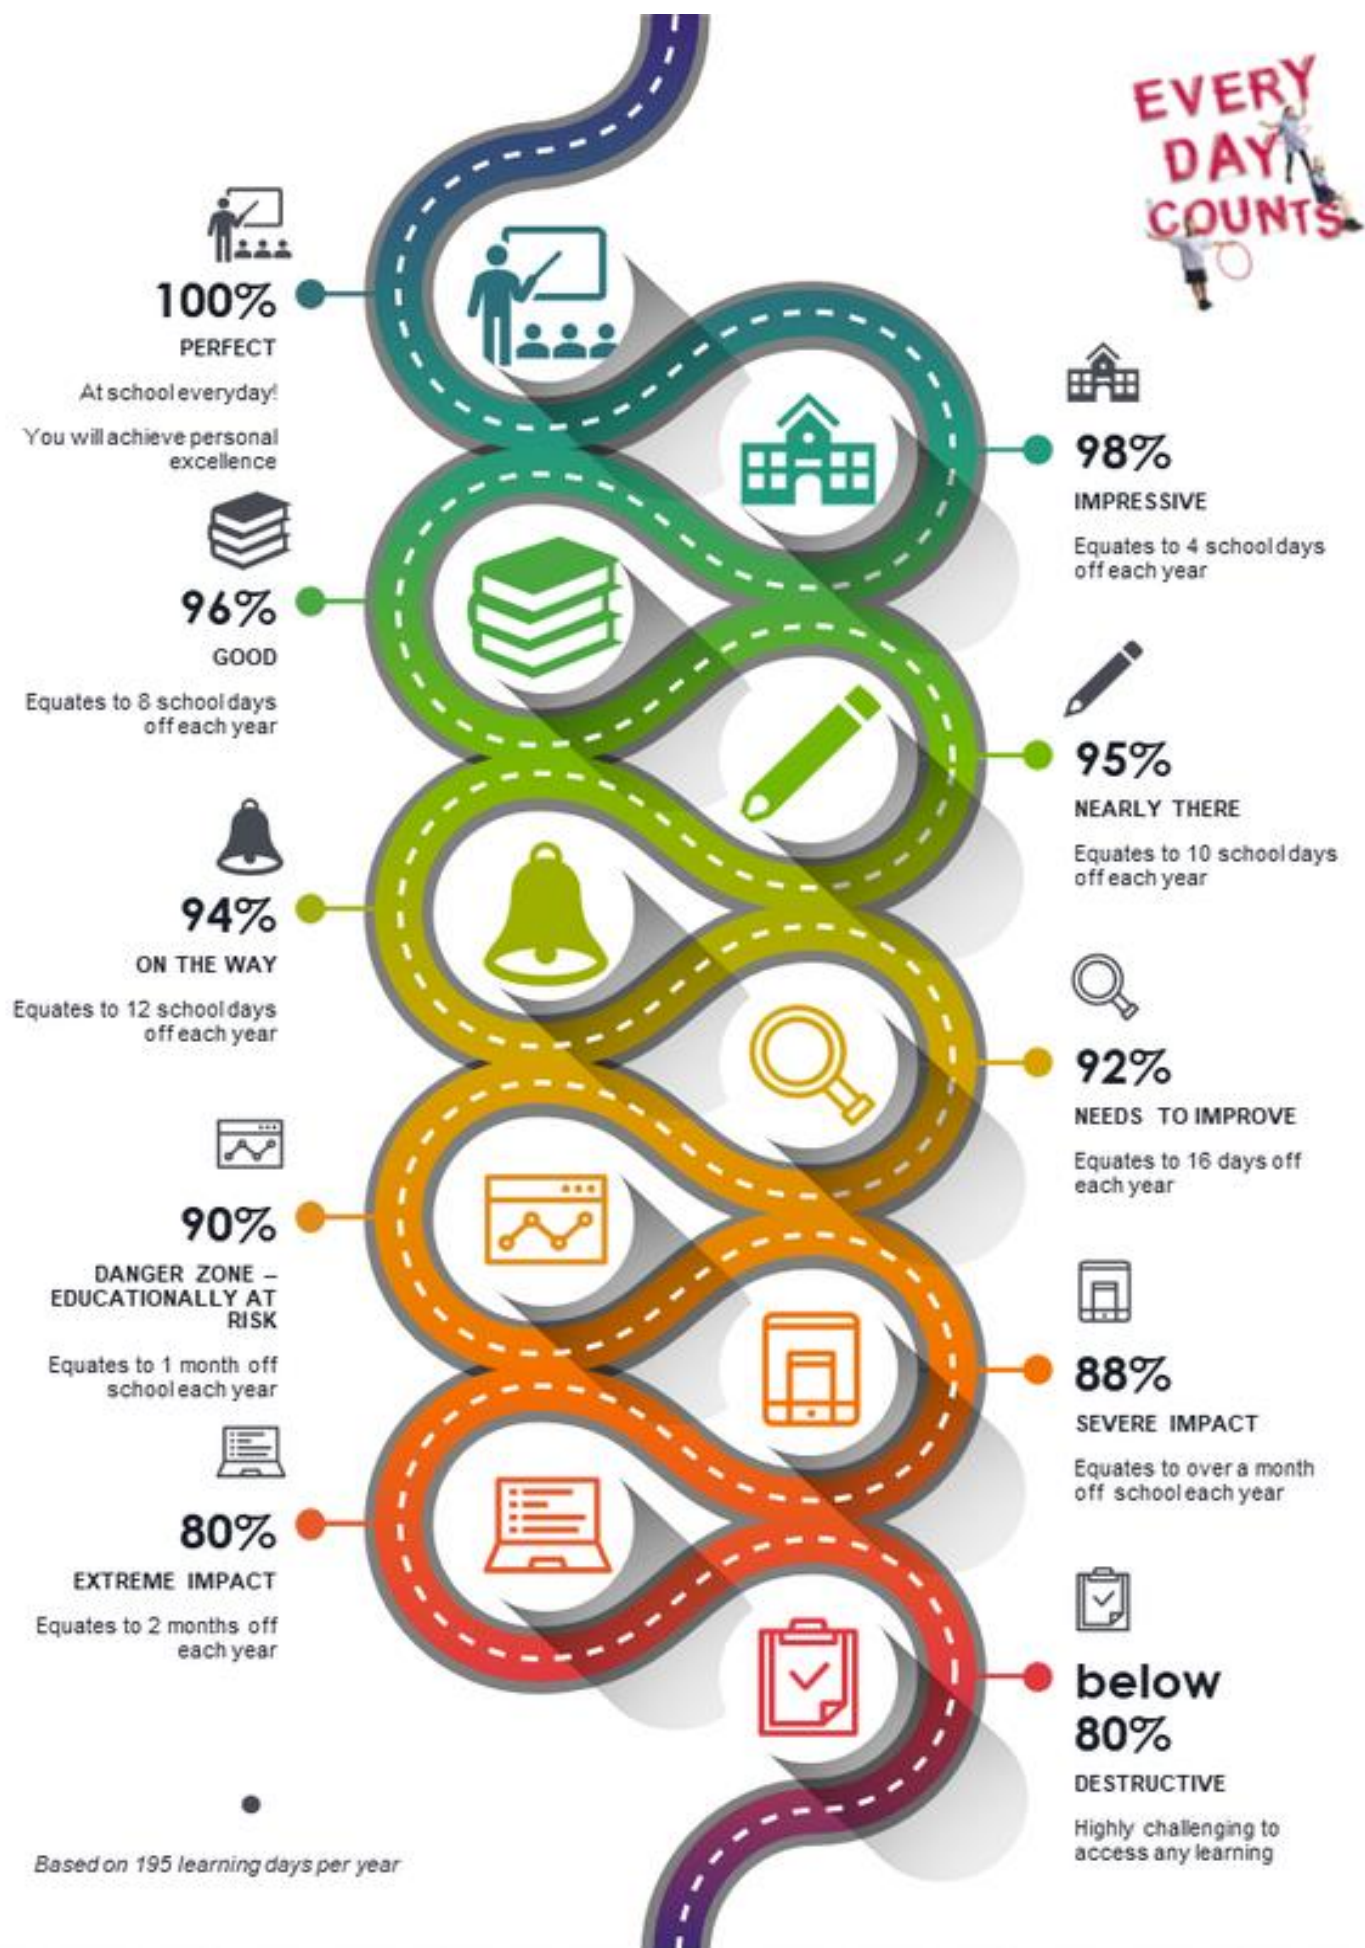

Attendance

What your child learns each day builds on what they learned the day before. If your student/s miss school, their learning routine is broken. Students can also lose confidence and miss out on building their friendships. You have a legal responsibility to send your children to school every school day.

Students are expected to have above a 95% school attendance rate, because days missed is years lost in learning. That's why making sure your child comes to school every single

day (unless genuinely sick) is so important. Regular attendance at school is essential for your child to achieve their educational best and increase their career and life options.

Tim Lavery

National Champion - Sahara!

Big congratulations to Sahara Weil (Year 9) who won National Champion at the National Equestrian Vaulting Championships in Sydney at SIEC (Sydney international Equestrian Centre) in her class for 3 events (freestyle and compulsories) and freestyle Barrel. Vaulting is gymnastics on horseback and combines the skills of both gymnastics and horsemanship.

Well done Sahara!

Language News

It was an extremely exciting time for the Year 7's in Language at the end of the term. Their writing and speaking assessment task was "PARADE MODE" - Fashion Parade.

The scene was set - catwalk, chairs, microphone, music and even a goodie bag!

The students spoke so well, describing what they were wearing and they confidently 'strutted their stuff' on the catwalk!

Well Done
Bagus Sekali

News from our Student Support Officer Wellbeing FEST!

October is Mental Health Awareness Month. We are excited that this year we have been able to do more activities for our students. We want to celebrate the resilience our students have shown the past two years so on October 21 we are holding a creative festival, having a day of stress-free fun consisting of many entertaining workshops and activities. Students get to choose workshops that they are interested in and have a go at learning a new skill - making something, having fun at creating. Creativity is great for our mental health!

Students have been emailed the booklet and we will be choosing these on Friday period 6. Please remind them to check their emails!!

On the day we also have local family and youth services attending to share information and resources on how to best look after ourselves. We are really excited! Parents are welcome to come say hello from 1pm onwards on the oval.

Tomorrow Man and Tomorrow Woman will also be offered to students in Years 10-12. We also have exciting news - we have partnered with Landcare and Tomorrow Man and will be hosting A Night with the Folks. An evening for parents to have an opportunity for parents to learn about these programs but also discuss the joy and challenges of raising young people. This is a first time in Bello and we are looking forward to it. See poster for registration details.

Later this term we also have a PROM planned in November. We have a busy student body putting this together. After two years without socials, we are looking forward to having a dance.

We will also have Love Bites running for all of Year 9. Love Bites is a safe relationships program that has been running for many years at Belling High and helps young people learn about healthy relationships.

Any questions about any of these, please don't hesitate to contact me on 66551 315.

Magda Pomroy

Cyber safe parents

The Cybermarvel program is designed to provide information and resources to help you and your family stay safe online.

The internet has opened up fantastic opportunities to learn, socialise and share information, but it can also bring risks, especially for young people.

Parents play an important role in supporting their child's online safety by understanding these risks and learning important tips and tricks to help reduce them.

Click on the link below to the parent video, webinar and resources:

<https://www.nsw.gov.au/education-and-training/cybermarvel/parents>

Bellingen High School P&C Meeting

How to apply

Go to

www.campcreative.com.au

and follow the links to the application form.

Applications close 5.00 pm, Tuesday 1 November 2022.

For more info contact scholarships@campcreative.com.au

2022 Higher School Certificate Student Information

Attached to this newsletter is a copy of the **2022 HSC Exam Timetable** from **Wednesday 12th October to Friday 4th November**.

Your personal exam timetable

Your personal exam timetable is available from <https://studentsonline.nesa.nsw.edu.au/>. This timetable lists your written exams and where you will sit for them (usually at your school). It also lists any other exams you are entered for, including oral exams for languages, performance exams and submitted works. Details of your performance exams or projects such as title of work or category (supplied by your school) are also available via *Students Online*. If you are undertaking oral or performance exams, we will post the time and venue on *Students Online* later this year. If there are errors or omissions in the exams you are entered for, contact your school immediately to supply us with the correct information. Take special care if you are entered for a VET course that has an HSC exam. If the exam does not appear on your personal timetable, you have not been entered for it. You must be entered separately for the exam if you expect to sit for it.

Preparing for your exams

When preparing for your exams, find out what to expect in the exam room and the exam paper, including where to write your answers. For each course you are studying, know the rules and requirements, and what to expect in each exam.

Information about the HSC exams

Make sure you have read and understand the *2022 Higher School Certificate Rules and Procedures* guide. You should have received a guide from your school and can also access it here: <http://educationstandards.nsw.edu.au/wps/portal/nesa/11-12/hsc/rules-and-processes>

There are serious consequences for:

- cheating in an exam
- disobeying NESA's rules for exam conduct
- not making a serious attempt across a range of questions in each exam.

Any of these offences may result in reduced marks, course cancellation or loss of your HSC.

The exam starting time in the timetable is when reading time begins. Arrive at your exam venue well before the time specified. Further information about your HSC exams is available on *Students Online*.

Disability provisions

If you have a disability that affects reading exam questions or responding to them under exam conditions, your school can submit an application for provisions to help you. If you have not already done so, speak to your school if you think this applies to you.

Exam equipment list

You should write in black pen. Make sure you bring spare pens to each exam. You may also bring a ruler, highlighters, pencils (should be at least 2B) and a sharpener, and a bottle of water in a clear bottle. You can wear your watch to your exams, but once you sit down you will have to take it off and place it in clear view on your desk. Programmable watches, including smart watches, will not be allowed in the exam room.

The following list shows the exams for which you are to bring specific equipment, as there may be some exam questions that require the use of this equipment. If an item is listed as optional, it means that there will be no exam questions for which the item is essential. But you may bring and use it if you wish.

All equipment you bring is subject to inspection on entry. Make sure any equipment you are allowed to bring, such as a calculator, is in good working order because an appeal under misadventure provisions for equipment failure will not be upheld.

What you *cannot* bring into your exam room

- X A mobile phone. Mobile phones are not permitted in an exam room under any circumstances
- X A programmable watch, e.g. a smart watch
- X Any electronic device (except a calculator where permitted). This includes mobile phones or other communication devices, organisers, tablets (e.g. iPads), music players or electronic dictionaries
- X Paper or any printed or written material. You can ask your presiding officer for working paper
- X Print dictionaries, except where permitted in language exams
- X Correction fluid

You are *not* allowed to borrow equipment during exams.

Equipment for specific HSC exams

This list details specific equipment that students are expected to bring for particular exams. Only those exams that require specific equipment are listed.

Ian J. Cooper Awards

Nominations NOW OPEN

Council invites individuals, groups and businesses to nominate for an Ian J. Cooper Award for Access and Inclusion.

These awards are made to local services, groups, businesses or individuals in acknowledgment of their efforts to improve access to their service or premises or groups who are inclusive of people with different abilities.

Nomination forms can be completed and submitted by any member of the Bellingen Shire community on behalf of a group, organization, business or service or an organization can self nominate. (paper copies are available at local libraries: Bellingen, Urunga, Dorrigo and Councils Admin Building) or you can access it online <https://www.bellingen.nsw.gov.au>

Forms must be submitted by Friday 4 November 2022

For more information contact Council's Community Wellbeing Planning Officer on 6655 7300 or email community@bellingen.nsw.gov.au

Australian
Air League

NSW Group

NSW GROUP IS NOW ENROLLING MEMBERS FOR OUR NEW ONLINE SQUADRON

Since 1934 the Australian Air League has been teaching young boys and girls nationwide all about aviation, while helping them develop important life skills like leadership, discipline, self confidence and teamwork. When you join the league you will make new friends and take part in fun and exciting activities, on the ground and in the air.

NSW Group is now running an online Squadron for those interested in joining the Air League but there is no Squadrons currently in their area. We welcome boys and girls from the age of 8 years old from all different cultures and backgrounds. Parents and families are welcome to join or volunteer their time. All adult members and volunteers are Working with Children Checked.

Each week you will attend your online squadron where you will learn valuable skills and take part in fun and interesting activities and classes. Some of our classes include Meteorology, Navigation, Photography and Community Service. The Online Squadron may also attend group activities.

The Australian Air League is running both a fun and educational programme that is making fine citizens out of our young Australians.
